

BLACK TRUFFLE & HAZELNUT GROWERS SEMINARS

2014

Dates & Venues

Sunday 6th April, Scarsdale (near Ballarat)

Saturday 12th April, Gembrook

Saturday 3rd May, Myrtleford DPI

This comprehensive seminar is presented by industry experts and covers an in-depth range of topics, detailing many technical aspects of growing these two important and emerging crops.

Topics covered include understanding the truffle lifecycle, (both crops) climate & soil, plantation establishment, quality assurance and tree certification, ongoing maintenance, harvesting and grading, marketing and industry overviews. Also covered is the concept of growing both crops together in a synchronized plantation.

Seminar Time: 9.30am - 3.30pm (includes a hazelnut or truffle plantation visit)

Registration fee is \$60.00 (light lunch provided)
